Soundscape and Spiritual Orientation

Gathering, Art exhibit, and talk

“I THE FATHER OF THIS UNIVERSE, THE MOTHER, THE SUPPORTER, THE GRANDSIRE, THE HOLY ONE TO BE KNOWN, THE OMKARA, THE SACRED WORD, OM” BHAGAVAD GITA 9:17

When every single thing has the same end in view all things are then held in uninterrupted connection and make one; for everything is then under the eye, government, and providence of the One who, acting in accord with the laws of subordination and association, turns everyone towards Himself, and thereby joins them to Himself. AC 9828:2

It is also a marvel - though scarcely anyone will be able to believe it because he is not able to understand it - that the communities there remain in the same fixed position in relation to each individual there, wherever he may be and in whatever direction he turns his body and moves about. ... From this it is evident that the form taken by heaven is such that unceasingly it has to do with the Grand Man's existence in relation to the Lord; and that all angels are not only with the Lord but are also in the Lord, or what amounts to the same, the Lord is with and in them, otherwise none of this could ever be so. Please join us at **7:00pm on Thursday 16th January** at the Swedenborg Centre in Sydney. Let's review and examine in some detail, some of the important ideas of the Work teachings given to us by Dr Groves that we may better discern their instruction, cherish it, and live it. Robert Evans will discourse on 'Soundscape and Spiritual Orientation.' There will be a selection of Michael Wrights art displayed at the center throughout the year, a monthly visit will ensure you are able to catch it all in person and receive some of the subtle influences which emanate from a Great School which Michael diligently, intentionally and prolifically brought into expression through his craft. It's also a great opportunity to catch up with Joe. Enquiries: rme@objectiveartefacts.com.au or joe@swedenborg.com.au or Rob +61 432 935 230
